Catnip Survey 2008

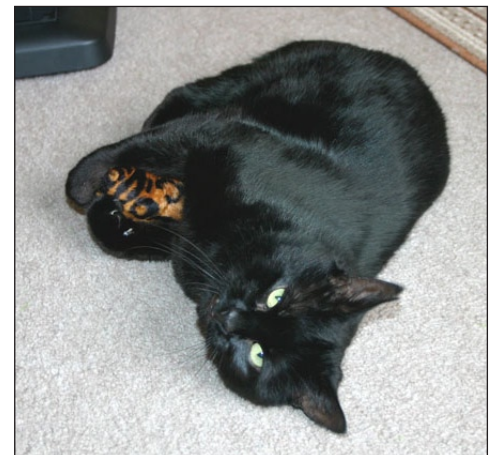

Nearly 9 out of 10 cats love catnip!

The Statistics

Latest results from the Sparkipuss Catnip Survey reveal that 89.3% of cats are partial to catnip!

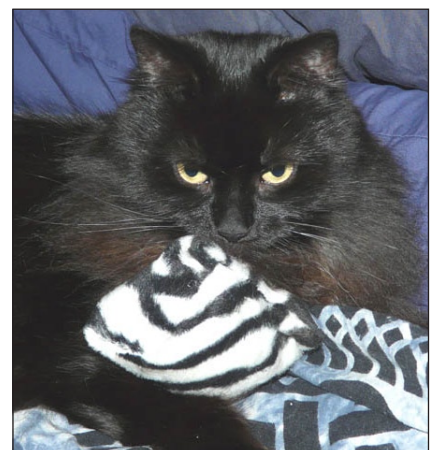

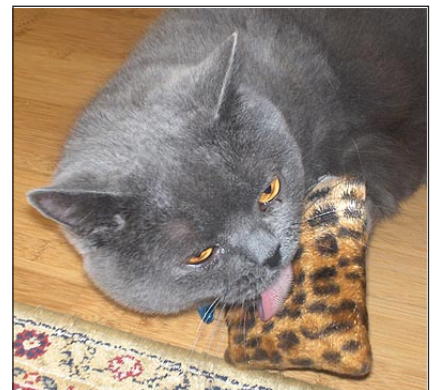

This natural herb has felines rolling around in bliss and is an excellent way to help your cat exercise and have fun at the same time! You can even encourage your cat to drink more by brewing catnip tea and serving it cold to your feline friend.

The Methodology

168 cats and kittens have so far taken part in this research including Cats Protection North Herts rescue cats, Branch members' cats and those surveyed at Wood Green Animal Shelter, Godmanchester. The owner/carer was asked (in person or by email) whether their cat liked catnip and the cat's name and age. They were encouraged to provide photographic evidence and those that did are pictured here.
